

DEAR RESIDENTS,

Saucony Run Shoreditch is a brand-new closed road 10K race in London, taking place on Sunday 21 September 2025 for up to 10,000 participants, many of whom will be fundraising for local and national charities. Designed for runners of all levels, this exciting closed-road running event winds through the heart of Shoreditch and Islington. We are working closely with local authorities, TfL and emergency services to minimise disruptions caused and deliver a safe and enjoyable event for the local community.

We are very grateful for the support of the local community and hope this advance notice helps with planning around the road closures.

Kind regards,
The Saucony Run Shoreditch Team
